

## Let's Get Started! How to set up WeChat

1. Install the free WeChat app. You can download and install WeChat free from the App Store on iPhone/ Android phone.
2. Launch the app. Once you've installed WeChat, open it and tap the "Sign Up" button.
3. Enter your region and phone number.
4. Wait for the SMS to arrive.
5. Enter the code, then start using WeChat.
6. Press the "+" button top right and click "Scan QR code". This will launch your phone's camera - scan the QR code above left.
7. Click "Enter Official Account" or "View History" to explore Edinburgh's posts!
8. At the bottom of each post you will see the Views and Engagements per post, as well as any user comments.
